

Science

Children will continue learning about the properties and uses of different everyday materials. They will develop their skills when working scientifically and will learn to make predictions, plan and carry out experiments, and collect their own data and findings.

History

We will be learning about Florence Nightingale and Mary Seacole and what they did to help people. We will find out how they changed nursing and compare nursing in past and modern times.

Art – We will learn about the artist Kehinde Wiley and recreate a work of art in his style of Mary Seacole.

Children will also create Christmas crafts.

RE

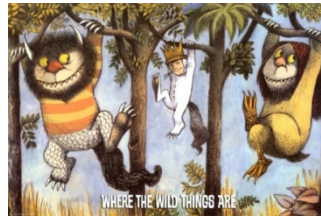

Light as a symbol. Incarnation.
Why is light important at advent and Hannukah?

Year 2 Autumn Term 2: Once Upon a Time

How many story settings can you think of? What's your favourite story and why?

Hook: Wild things sighted in the school grounds!

Computing – Using and applying skills to understand about photography and how to take a good photo.

English

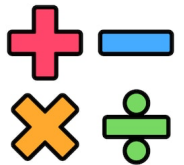

Where the Wild Things Are:
Children will use practised writing skills and use them to write a letter to Max, persuading him to come home.

Rumpelstiltskin:

We will learn to retell the story and write our own ending.

Children will continue to develop word reading skills, summarising events in text and develop vocabulary.

Maths

- Consolidate learned addition and subtraction strategies
- Multiplication and Division work – focussing on the 2,5 and 10 x tables.
- Using fractions with numbers, shapes and objects.
- Working with graphs to learn about statistics

PSHE – Safety First

Children will learn about the everyday dangers of familiar places and how to keep safe. They will also learn about internet safety.

PE

Outdoor games with Mr Holmes.
Indoor PE – Gymnastics.
