

Science

Living things and their habitats

We will be learning about the 7 processes of life with the help of MRS GREN. Then exploring different food chains and sources as well as where animals live and shelter including microhabitats.

Geography

We will be learning about the country of China. We will be comparing cultures, looking at significant landmarks in China and finding out more about the climate including the plants and animals which grow and live there.

Art – The Willow Pattern Story – creating our own willow pattern plates using paints.

Drawing Chinese symbols and letters.

RE

Stories with a meaning.
(Parables) What do Christians believe God is like?

Spring Term 1: Celebrating China

What is it like to live in China? How is it different from England?

Year 2 Chinese New Year Celebration with a 'flight' to China, music and games. Dragon dance.

Goggle Classroom homework

Homework is set every Thursday. It includes spellings, English and Math.

English

- The Magic Paintbrush:
We will be learning to write in role and securing our knowledge of grammar and punctuation.
- The Runaway Wok – we will write a newspaper report about the wok. We will continue building on our phonic and reading skills.
We will continue developing our spelling skills.

Maths

Continue to develop confidence when using the four operations to answer questions: addition, subtraction, multiplication and division.
Learn to tell the time to the hour and half past.

IT – the children will learn about how to collect, organise and present data.

PSHE – Growing up. We will be looking at how children have grown over the years and what it means to be getting older.

PE –

Dance of the Dragon – links to Chinese New Year
Outdoor games with Mr Holmes.
