

## Science

**Sound** - identify how sounds are made, recognise that vibrations from sounds travel through a medium to the ear, find patterns between the pitch/volume of a sound and features of the object that produced it, recognise that sounds get fainter as the distance from the sound source increases.

## Geography – Local Study/Italy

Children will be exploring Italy and the UK as a whole and making comparisons between the two. Children will then make more detailed comparisons between Andover and a town/city in Italy. They will look at similarities and differences in both human and physical geography.

## Music

The children will explore rhythm and structure. They will begin to record music through rhythmic notation.

## MFL

Children will look how to say and write the four seasons. They will be able to share what their favourite season is and why.

## PSHE

**Respecting Rights**– children will explore what rights are and what it means to respect them.

## RE

Hinduism – Hindu festivals (Mahashivrati).

## Spring Term 1 Local Study

Where in the world is Andover?

## Art

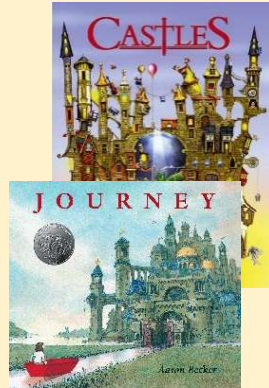

Children will develop their sketching and painting skills. They will create a painting of a landscape in Andover using oil pastels and water colours.

## English

Castles– persuasive brochure.  
Journey – narrative.

Children will develop their use of fronted adverbials, technical vocabulary and persuasive language in their writing.

In reading, children will develop their comprehension skills for exploring vocabulary and themes across multiple texts.

## Maths

Children will develop and apply their knowledge of place value, addition and subtraction to measure and increasingly larger numbers (including decimals). They will solve a wide range of problems, using a variety of resources and methods to support them.

## Computing

Children will create programs by planning, modifying, and testing commands to create shapes and patterns, using Logo.

**PE** - children will develop their control, technique and coordination in gymnastics.
