Friday 3<sup>rd</sup> May 2024

Dear Parents and Carers

Could sunnier weather really be on the way? When the children are able to access the field most days making daisy chains we know summer is here. We just need a little more sun and a little less rain!

If you are buying summer sandals please ensure they are suitable for an active school day. No heels or platforms please and all footwear should secure to the foot with a strap or Velcro. No mules or clogs thank you. Children also need to wear socks.

The children in Years 2, 5 and 6 have taken part in workshops run by the NSPCC this week. We hope the children have found them useful.

8 children from Years 3 and 4 attended a tennis tournament and represented Andover CE Primary brilliantly. Well done for your participation!

It is looking like a very busy summer term, especially with our Year 6 leavers and New Year R starters.

The new PTA are busy making plans for summer events and details will follow soon.

Kind regards,

*Sara Allen and Fiona Tickle*  
Headteacher (Interim) and Deputy Head

## Instrumental Lessons

A letter will be coming out next week for all KS2 children about the opportunity from September 2024 to have brass lessons. This is the perfect follow on from the after school brass group, but if your child hasn't played before you can still register your interest.

## Summer Dates for your Diary....

April 17<sup>th</sup>-July 17<sup>th</sup> 2024 – Year 4 Swimming

July 18<sup>th</sup> 2024 – Leavers Party (details to be confirmed)

Dear God,  
I offer you today,  
All my work and all my play,  
Help me to be kind to whoever I meet,  
At home, at school or in the street,  
May I be happy in all that I do,  
Knowing that I do it all for you.  
Amen
