

Science

Animals, Skeletons and Movement: Explore the difference between vertebrates and invertebrates. Understand the purpose of skeletons to support movement and weight.

History

Ancient Egypt: Why was the river Nile so important to the Egyptians? Looking at the way Ancient Egyptians lived and learning more about what they believed in. Ancient Egyptian day.

Comparison between this ancient civilisation and modern Britain.

Art

Year 3 will be creating a painted self-portrait of themselves as a pharaoh with drawing tool details. We will look at the work of Klimt through a walking gallery to learn the style of pharaoh portraits.

PSHE

Money Matters - We will look at where money comes from, what money is used for and the difference between a want and need

Autumn Term 2:

Walk Like An Egyptian

Why was the river Nile so important to the Egyptians?

We will be getting a box of Egyptian artefacts to explore!

RE

Special Angels - Why are angels in the Christmas story important to Christians?

Music - Brass Lessons - This term the Hampshire Music Service will be visiting every Friday morning to teach the class how to play a range of Brass instruments.

English

The Egyptian Cinderella - Shirley Climo

Children will write an alternative ending to the focus text.

Inside the Villains - Clotilde Perrin

Children will create a Mummy fact file in the style of the text using what they have learned across the topic.

Computing

We will be continuing our unit on networks and systems and then we will move onto looking at media animations.

Maths

Multiplication and Division - Mental strategies and fluent recall of tables facts. Building a secure understanding of multiplication and division facts for 2s, 5s, and 10s.

Fractions and Geometry - Focus equivalent fractions using bar models and number lines. Securing representations of fractions using shapes.

Place Value with Measure - Practical measuring, weighing, and reading scales accurately.

PE

Indoor - Gymnastics

Outdoor - Outdoor games with focus on attacking and defending skills.

French - We will be continuing our work on greetings in French and will also begin to look at colours and numbers.
