

Science

This half term we will be learning about Animals and their skeletons and movement. We will learn about skeletons and exoskeletons. We will research how bones are connected and how muscles work.

Geography

This half term, our driver is Geography and our topic is a Wonderful World. We will be learning about North America. Children will use atlases to locate the counties and key places in North America and then study them.

English

In order to develop our English skills this half term, we will be practicing our writing skills using coordination, subordination and adverbial phrases. We will also look at and create poetry.

RE

Our RE focus for this half term will be symbols in faith. We will look at the Eucharist and the Easter Story. The children will investigate the importance of symbols in Christianity and other faiths around the world.

Year 3 Spring Term 2

Author Focus:
Dick King Smith

Computing

The children will learn what a branching database is and how to create one. The children will create an identification tool using a branching database, and they will test each others.

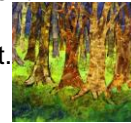

PE

This half term we will be having a dance lesson and a lesson on Netball each week. We will look at team games and how to play as a team.

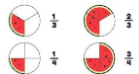

Art

The children will study the work of the artist Paul Klee and how to create art using different materials. The children will create and evaluate a collage of a forest.

Maths

Children will be refreshing their knowledge of number bonds, times tables, place value, addition and subtraction this half term.

PSHE

The topic will be about Britain. The children will learn about democracy, liberty, tolerance and respect. We will investigate the question: what does it mean to be British?

MFL

The children have really enjoyed learning Spanish and we will continue to learn basic phrases and the names of fruit in Spanish this half term.

The children will continue to learn how to play either a trumpet, baritone or trombone with the Hampshire music service. This has been a loud but rewarding experience for all of the children.
